

February, 9-11, 2006 • New Delhi
International Exhibition and Conference
on Water & Wastewater Management

POST-SHOW REPORT

India's Water Industry gives top marks to EverythingAboutWater Expo 2006.

The 3rd EverythingAboutWater Expo 2006– South Asia's largest trade fair for the Water and Wastewater sector took place at the NSIC Exhibition Centre in New Delhi, India from 9 – 11 February 2006. The show was an outstanding opportunity for the companies to display their products and technologies. Jointly organized by EA Water Pvt. Ltd. and ASSOCHAM, the show was great success generating excellent response from both exhibitors & visitors.

The international event was inaugurated by Mr. Kumar, Chairman cum Managing Director, National Small Industries Corporation Ltd. and Ms. Desiree Bonis, Acting Ambassador, Embassy of Netherlands.

EverythingAboutWater Expo 2006 is now proven as the best show in the water and wastewater sector. Our clients- the exhibitors, visitors and supporting associations, have found the show highly satisfying and many have already confirmed their participation in 2007. Industry expectations were exceeded by the show's third edition. Here are some key highlights:

- ✓ South Asia's largest water event.
- ✓ Over 80,000 sq ft area of exhibition space.
- ✓ 135 exhibitors from 16 countries.
- ✓ Two country pavilions : Netherlands and China.
- ✓ Special China Delegation with 12 Chinese companies.
- ✓ Other International Participation from USA, Canada, Germany, United Kingdom, Italy, Israel, Singapore, and Thailand.

- ✓ Presence of leading companies from all parts of the country.
- ✓ Strong international presence and the perfect platform to meet the visitors from all over the world.
- ✓ 7126 business and trade visitors over 3 days.
- ✓ 3 - day International conference - " Clear Solutions to Clean Water" with top experts from all over the world presenting on urban water supply, drinking water, rainwater harvesting, industrial water and other key issues.
- ✓ Training workshop on Reverse Osmosis & Membrane Technology.

RECORDS PHENOMENAL GROWTH!

The 3rd Everything About Water Expo 2006 showed strong growth compared to the 2005 show reflecting the high satisfaction of all participants. The figures below give a good picture of the progress:

	2005	2006	% Increase
Exhibitors	82	135	65%
Trade Visitors	3300	7126	116%
Delegates	235	316	34%

EAWater Pvt. Ltd. hosted an International Reception on 10th February 2006. The reception provided an informal and relaxing platform for interaction between the exhibitors, industry players, members of the press and the organizers. Exhibitors were satisfied by the visitor presence, which included delegates and decision makers from the industry, govt. bodies, entrepreneurs and research institutions. In this way, the 3rd Everything About Water Expo 2006 was a great success by all yardsticks.

See you all at the 4th Everything About Water Expo in Chennai in Feb. 2007.
